

FEB 02 1978

Docket No. 50-320

MEMORANDUM TO: S. A. Varga, Chief
 Light Water Reactors Branch #4, DP

FROM: R. A. Clark, Chief
 Reactor Safeguards Licensing Branch, DOR

SUBJECT: SECURITY PLAN EVALUATION FOR TMI-2's
 OPERATING LICENSE

An evaluation was made of the subject plan. This plan consists of the Interim Physical Security Plan dated January 24, 1978 and its first revision, Revision 1 dated January 27, 1978. It is identified as:

Three Mile Island Nuclear Station, Unit 2 (TMI-2)
 License No. CPPR-60
 Docket No. 50-320
 Interim Physical Security Plan

A copy of the plan and our evaluation is in our files. We find the plan acceptable as fulfillment for the security portion of the operating license requirements and no further action is required.

Original signed by:

Robert A. Clark, Chief
 Reactor Safeguards Licensing Branch
