Rick and Lois,

I have another meeting tomorrow morning and won't be able to attend tomorrow's status call.

I mentioned that our management was considering extending the deadline to issue the FSEIS, primarily due to (1) the extra time the staff is taking to address the DSEIS comments and (2) to provide support to address the recent contentions that were submitted. I'll let you know the new schedule if and when it's finalized. We'll also send out a schedule change letter.

Let me know if you have any questions.

Butch
