Hi Magdalena,

The first line of this request appears to be a copy paste error. It was intended to request for 4 authorized user to be added and zero to be deleted. I've attached a corrected cover letter requesting this.

Thank you for your patience,

Emily

Subject: Request to remove an AU, NRC license no. 24-13383-01, Christian Hospital

Good morning Ms. Chasteen,

I have reviewed your request dated June 7, 2019 in which you indicated to add two Authorized Users (AU) and delete one AU.

Later in the letter, you requested to add four AUs, Drs. Essma, Schranck, Shady, and Velde.

Please let me know the name of the AU that I need to delete, if any.

Thank you
Magdalena
