Docket No. 50-320

Mr. Kenneth J. Mulholland
Deputy Clerk of the Court
U.S. Federal Building and Courthouse
Third and Walnut Streets
Harrisburg, Pennsylvania 17108

Dear Mr. Mulholland:

This will confirm our telephone conversation this morning concerning my request for hearing space.

I understand that you have reserved Courtroom No. 2 for use by a three-member Atomic Safety and Licensing Board for seven days of public hearings beginning at 9:30 a.m. on May 2, running through the 6th and continuing through the 9th and 10th of the following week. As I was told, the Licensing Board spoke to you about the May 2-6 period, and I discussed with you this morning the 9th and 10th. The hearing is in the matter of Metropolitan Edison Company's Three Mile Island nuclear facility; approximately 50 to 75 persons may be expected to attend.

We will be asking a local firm for public address support in the courtroom during these dates.

Thank you for your assistance. Should you need to contact me, please call on 202/634-1437.

Sincerely yours,

C.R. Stephens, Chief
