Attached is a request from the EDO requesting certain information regarding your involvement in the NRC activities relating to TMI during the period from March 28 through, at least, April 1, 1979. I am sending this request to each of you since you are most likely to have information relevant to the request.

There may be others within OELD who also have relevant information to contribute. Please canvass your respective staffs to assure that everyone who may have such information is aware of this request and acts on it.

If any of you or your respective staffs have information, please record it as provided in the attached and send a copy to me for transmittal to the OIA. Copies of these memorandum to files should be sent to me by c.o.b. on April 20, 1979.
