Gentlemen:

Reference is made to our letter dated May 15, 1979 which transmitted a revision to Sections 3.0 and 4.0 to your License No. SNM-1168. In accordance with this revision, License Conditions 6.5 and 6.6 were dropped and 6.2 was revised; however, neither our letter nor the enclosures addressed this change. Accordingly, we are revising Amendment No. MPP-2 to your License No. SNM-1168 to indicate these and all subsequent changes, effective immediately, as reflected in the enclosure to this letter.

We apologize for any inconvenience which this oversight may have caused.

Sincerely,

James G. Partlow, Chief
Material Control & Accountability
Licensing Branch
Division of Safeguards
