NUCLEAR REGULATORY COMMISSION  
WASHINGTON, D. C. 20555

Captain R. Martin  
193 TEW GP

Dear Captain Martin:

We would like to retain Msg. Irving W. Peters and Msg. Dennis L. Ebersole as our drivers until April 21, 1979.

We continue to need the services of Msg. Peters and Msg. Ebersole to assist us at our Three Mile Island facilities. They provide a variety of services which are extremely valuable and we would be seriously hampered without their assistance. I would appreciate it if you would make necessary arrangements to assure the continued availability of Msg. Peters and Ebersole. Should there be any questions regarding this matter, please feel free to call on me for further clarification and authorization as needed.

Sincerely,

A handwritten signature in dark ink, appearing to read "Victor Stelto", is written over the typed name.
