Docket No. 50-320

MEMORANDUM FOR: Albert Schwencer, Chief, Operating Reactors Branch #1  
Dennis Ziemann, Chief, Operating Reactors Branch #2  
Thomas Ippolito, Chief, Operating Reactors Branch #3  
Robert Reid, Chief, Operating Reactors Branch #4

FROM: William Gammill, Assistant Director for Operating Reactor  
Projects, Division of Operating Reactors

SUBJECT: TMI-2 LESSONS LEARNED TASK FORCE REPORT - NUREG-0578

The first report of the Lessons Learned Task Force (NUREG-0578) covering the short-term recommendations has been issued and will be mass-mailed in the normal fashion to addressees on the service lists. However, it would be desirable that the licensees receive copies as quickly as possible. You should ensure that copies of the report are mailed (first class) to your respective licensees today. The attached letter should be used to forward the report.

Copies of NUREG-0578 and mailing labels may be picked up from Shirley Sheppard, Room 332.
