IN RESPONSE REFER
TO FOIA-79-357

Dear Mr. Knight:

This is in response to your undated letter in which you requested, pursuant to the Freedom of Information Act, information concerning accidents "larger than Three Mile Island."

The Nuclear Regulatory Commission has no documents which specifically respond to the questions you ask. However, I am enclosing a copy of a Reference Material list prepared for another group, which might be helpful to you. These documents contain information about accidents involving nuclear reactors.

Some of these reports are out of print, but you should be able to get them through a university or technical library in your State.

Sincerely,

A handwritten signature in cursive script, appearing to read "J. M. Felton".
