Dear Mr. Scarano:

The Council has received your signed proposal including the written concurrence of the Utah State Historic Preservation Officer for the issuance of a Source Material License to Energy Fuels Nuclear, Inc., for the White Mesa Uranium Mill, Blanding vicinity, Utah, and the White Mesa Archeological District and other affected cultural properties.

We have reviewed the proposal and have determined that it represents the agreement reached by the consulting parties. Therefore, pursuant to Section 800.6(c) of the Council's regulations (36 CFR Part 800), a Memorandum of Agreement has been prepared and forwarded to the Chairman of the Council for ratification. The Memorandum of Agreement will become final after 30 days or earlier if ratified by the Chairman, and the undertaking may then proceed. A copy of the ratified Agreement will be provided for your records. The ratified Memorandum of Agreement will constitute the Council's comments in accordance with Section 800.6(c)(3) and completes your responsibilities under Section 106 of the National Historic Preservation Act and the Council's regulations.

Thank you for your cooperation.

Sincerely,
