In the Matter of  
Houston Lighting & Power Company  
(Allens Creek Nuclear Generating Station, Unit 1)  
Docket No. 50-466

Gentlemen:

The NRC Staff has received eight letters in the captioned matter which request participation in this proceeding, but do not comply with the Commission's rules regarding intervention as a party. The requesters are: Helen Foley, Ron Waters, John and Jeanette Beverage, Mary L. Fuller, Pat Erichson, Abraham Davidson, Susan S. McGuire, and Frances Pavlovic. Since the letters do not make clear whether full intervention or limited appearance is desired by the writers, the Staff requests that the Board seek clarification from the individuals involved. For their information, we have enclosed copies of 10 CFR Part 2, the Commission's Rules of Practice, with service of this letter to the persons named above. If they wish to inquire about the methods available to participate in Commission proceedings, they may contact the undersigned at (301) 492-8656.

Sincerely,

Colleen P. Woodhead  
Counsel for NRC Staff
