 Ms. Treva J. Hearne, Assistant General Counsel
 Public Service Commission
 P. O. Box 360

Dear Mr. Phillips and Ms. Hearne:

This letter is to acknowledge receipt of your petition dated August 14, 1979, requesting that an order to show cause be issued to Union Electric Company to suspend the construction permit for the Callaway Unit No. 2 facility because revised peak load forecasts call into question the need for the power from the Callaway facility.

Your letter is being treated as a request for action under 10 CFR 2.206 of the Commission's regulations, and accordingly, appropriate action will be taken on your letter within a reasonable time. I enclose for your information a copy of the notice that is being filed for publication with the Office of the Federal Register.

Sincerely,

Original Signed by
