ANSWER I MAY 2 '79

90 South Boland Street
Hampton, Virginia 23669
April 9, 1979

Dear Congressman Tribble:

The completed questionnaire, as requested, is inclosed. It is good that you want "to know what's on our minds." The results of this questionnaire mean very little, however, in the final analysis.

What is critical is how you vote on given issues! Be brave and give us a record on your voting track!

Suggestion: Introduce a bill that will require every House vote to be a Record Vote. Also, have the same bill make possible free

free
C.R.

Copies of the Congressional Record available to all U.S. Citizens who make written requests for the same. Please inform me of how I may obtain personal copies of this publication.

One other important point: The 'Three mile island' nuclear fiasco is, indeed, a national disgrace and, in my opinion, a real threat to the Chesapeake Bay Complex.

NRC

NRC

The Susquehanna River empties into the upper Bay waters. Mr. Tribble, is the Nuclear Regulatory Commission monitoring the levels of radiation

in the water around three
mile island and also at the
area where the Susquehanna
enters the Chesapeake Bay System?

Allied Chemical (RAPEX)
the mighty James River, so I
guess you and most Congressmen
really don't care if Metropolitan
Edison makes a cesspool out
of our Chesapeake Bay. If you
want my vote again, I strongly
urge you to give this matter
a thorough investigation.

Respectfully,

H. C. C. C.
