Dear Mr. Autio:

This is in reply to your letter dated May 31, 1979, indicating that your licensed operator requalification program will not be completed by December 31, 1979.

It is our understanding that it will be completed by January 31, 1980.

Based on the information contained in your letter, we believe that the delay is necessary and will not significantly affect the quality of the program.

Sincerely,
