Dear Mr. Ryan:

We hereby request a single copy of all NRC Branch Technical Positions (BTP) and all other existing regulatory staff positions (excluding Regulatory Guides). We also request that the Missouri Public Service Commission be placed on an automatic distribution list for all future and revised BTP's and regulatory staff positions. The supplied BTP's and regulatory staff positions should include, but not be limited to, the following NRC branches:

- Auxiliary Systems Branch
- Materials Engineering Branch
- Reactor Systems Branch
- Containment Systems Branch
- Structural Engineering Branch
- Instrumentation & Control Systems Branch
- Power Systems Branch
- Analysis Branch
- Mechanical Engineering Branch
- Core Performance Branch

In addition, we request that the NRC advise the Missouri Public Service Commission of all formal actions of the NRC's Regulatory Requirements Review Committee (RRRC) such as the categorization of actions resulting from RRRC Meeting No. 31 on July 11, 1975. We wish to be advised of additions or revisions to the items in Categories 2, 3 and 4.

All correspondence on this matter should be forwarded to:
