Re: Pacific Gas and Electric Company
(Stanislaus Nuclear Project, Unit No. 1)
(NRC Docket No. P-564-A)

Dear Chairman Miller:

This is to confirm our telephone conversations of today, in which you granted NCPA and the Cities of Anaheim and Riverside, California an extension of ten days in which to respond to the most recent set of interrogatories pro-
pounded by the Pacific Gas and Electric Company ("PG&E"). 1/

It is my understanding that NCPA and Anaheim and Riverside will have until August 17, 1979 in which to file objections to the interrogatories and make whatever motions are appropriate in order to secure the time necessary for a complete response to the unobjectionable interrogatories.

rogatories to Northern California Power Agency and Department
of Water Resources and Fourth Set of Interrogatories to the

We appreciate your courtesy and cooperation.

Very truly yours,
