ORDER

September 12, 1979

As we understand it, the amended "statement of exceptions" filed by the intervenors on September 10, 1979 replaces rather than supplements the exceptions previously filed on August 21, 1979. On that understanding, the August 21 submission will be treated as having been withdrawn.

In accordance with the terms of our August 27, 1979 order, the intervenors' brief in support of their amended exceptions is due for filing on or before October 10, 1979. See 10 CFR 2.762(a).

It is so ORDERED.
