Dear Mr. Gerusky:

The Atomic Energy Commission has issued Provisional Construction Permit No. CPPR-40 to Metropolitan Edison Company for the construction of a pressurized water nuclear reactor designated as the Three Mile Island Nuclear Station on the company's site on Three Mile Island, an island in the Susquehanna River, in Londonderry Township, Dauphin County, Pennsylvania.

A copy of the construction permit is enclosed together with a related notice which has been transmitted to the Office of the Federal Register for filing and publication.

The permit has been issued pursuant to the Initial Decision of the Atomic Safety and Licensing Board, dated May 16, 1968. A copy of the decision is also enclosed.

Sincerely yours,

Original Signed by
Charles G. Long
