Director
Division of Reactor Licensing
U.S. Nuclear Regulator Commission
Washington, D.C. 20555

Dear Sir:

Docket NO. 50-289
Operating License NO. DPR-50

In accordance with technical specifications for the Three Mile Island Nuclear Station Unit I, we submitted Abnormal Occurrence Report AO 50-289/75-14 on June 6, 1975. It has been determined that the report contains a typographical error in section (7) entitled "Designation of Apparent Cause of Occurrence". In the first line of the paragraph following part "d" of this section the discharge check valve referred to should be "DR-P-1B" discharge check valve.

Sincerely,

R. C. Arnold
Vice President
