

September 28, 1973

UNITED STATES OF AMERICA
ATOMIC ENERGY COMMISSION

BEFORE THE ATOMIC SAFETY AND LICENSING BOARD

In the Matter of
METROPOLITAN EDISON COMPANY, ET AL.
(Three Mile Island Nuclear Station,
Unit 1)

Docket No. 50-289

MOTION FOR APPROVAL BY THE ATOMIC SAFETY AND
LICENSING BOARD OF A STIPULATION RELATING TO THE INTRODUCTION
OF DOCUMENTS INTO EVIDENCE

On September 20, 1973, Counsel for the Regulatory Staff and Counsel for the Intervenor in the above captioned proceed signed a Stipulation relating to the introduction of documents into evidence. On September 25, 1973, the Applicant signed the Stipulation. Acceptance of this Stipulation by the Board will eliminate the necessity of formally introducing the documents through sponsoring witnesses and should effectively reduce the length of time needed for completion of the hearing.

Wherefore, the Staff moves for acceptance and approval of the aforementioned Stipulation by the Atomic Safety and Licensing Board in this proceeding.

Respectfully submitted,

Howard M. Wilchins

Howard M. Wilchins
Douglas K. Olson
Counsel for AEC Regulatory Staff
