Dear Larry:

In accordance with the schedule agreed upon for answering discovery requests, I enclose Applicants' Responses to Intervenor's Interrogatories of May 28, 1975. Included with the answers are affidavits of the individuals making the answers.

With respect to your requests for documents, Applicants will make available at Metropolitan Edison Company's offices in Reading, Pennsylvania, for your inspection and copying at your expense, copies of both the specific documents you have requested, e.g., in Interrogatory Nos. 29, 30, 31 and 61, and the supporting documentation for our answers which you have requested generally. Please contact me or Mr. Blake of my office to arrange a mutually convenient time for your review of these documents.

In Interrogatory No. 6, you requested the names and addresses of all witnesses Applicants would call at the time of an evidentiary hearing on your contentions. Applicants do not yet know who will be called to testify on these matters. When the issues have been finally determined by the Licensing Board and decisions are made as to who will appear as witnesses in Applicants' behalf on issues relevant to your interrogatories, we will provide you the names and addresses of these individuals.

Sincerely,

George F. Trowbridge
