

October 12, 1970

Docket Nos. 50-289
and 50-320

POOR ORIGINAL

Mr. William M. White, Chief
Division of River Basin Studies
Bureau of Sport Fisheries and Wildlife
U. S. Department of the Interior
Washington, D. C. 20240

Dear Mr. White:

Five copies of Metropolitan Edison Company's Preoperational Environmental Radioactivity Survey Report, dated September 1, 1970, are herewith enclosed for your use. The report, relating to the Three Mile Island Nuclear Station Units 1 and 2, concerns the site located on Three Mile Island in the Susquehanna River in Dauphin County, Pennsylvania.

Sincerely,

Original Signed by
Charles G. Long

Richard C. DeYoung, Assistant Director
for Pressurized Water Reactors
Division of Reactor Licensing
