RE: KERR-McGEE RESOURCES CORPORATION
KERP-McGEE CORPORATION
UNION CARBIDE CORPORATION
TENNESSEE VALLEY AUTHORITY
American Mine Service Decline
American Mines Service
Canadian Mines Service

Dear FOIA Officer:

This request is made pursuant to the Freedom of Information Act. I would like to know if any of the above-listed corporations, agencies, or organizations have ever been cited or investigated by your agency or by your predecessor, the Atomic Energy Commission, for violations of law or regulation governing their activities. If so, please furnish the date of the citation and/or investigation, the law or regulation violated or alleged violation, the action taken by your agency, and the outcome for each instance. If the citation or final report of an investigation or report of a violation is less than 10 pages long on each instance, please furnish me with a copy of each such citation or report. If longer than 10 pages, please inform me how many pages there are on each instance so that I may decide whether I wish to have copies. I wish to be informed of any information withheld and the reasons for such withholding.

I am prepared to pay the reasonable costs of my request, however I believe the Act provides for waiver of such fees if the request is in the public interest. Because I firmly believe my request to be in the public interest in that I am a resident of an area that may be affected by the present activities of the above-listed corporations, I would urge you to waive all fees from this request.

As provided in the Act, I will expect a response from you within 10 (ten) days. Thankyou.

Sincerely yours,
Andrew B. Reid *Andrew B. Reid*
