Gentlemen:

SUBJECT: Investigation Report No. 70-1113/79-04

We have enclosed, as Enclosure 1, two copies of the subject report which we have identified as 2.790 material. We have also enclosed, as Enclosure 2, two copies of the Investigation Summary of the report which we believe to be non-2.790.

In accordance with Section 2.790 of the NRC's "Rules of Practice Part 2, Title 10, Code of Federal Regulations, a copy of this letter and the enclosed non-proprietary summary report, Enclosure 2 will be placed in the NRC's Public Document Room. If this report contains any information that you believe to be proprietary, it is necessary that you make a written application within 20 days to this office to withhold such information from public disclosure. Any such application must include a full statement of the reasons on the basis of which it is claimed that the information is proprietary, and should be prepared so that proprietary information identified in the application is contained in a separate part of the document. If we do not hear from you in this regard within the specified period, the report will be placed in the Public Document Room.
