Gentlemen:

Enclosed is Quality Assurance Program Approval for Radioactive Material Packages No. 0354, Revision No. 0.

Please note the conditions included in the approval. In particular, delete everything after the organization charts. While there must be supporting written procedures to implement your QA program, these procedures as well as others you may develop to implement your program should not be submitted as part of your QA program plan.

Sincerely,

A handwritten signature in cursive script that reads "Charles E. MacDonald".
