In the Matter of Metropolitan Edison Company, et al.  
(Three Mile Island Units 1 and 2)  
Docket Nos. 50-289 and 50-320

Dear Miss Southard:

As per your request, I am enclosing the Guide to the Preparation of Emergency Plans for Production and Utilization Facilities, December 1970, and Appendix E to 10 C.F.R. Part 50. I have requested that the Regional Inspection Reports for Three Mile Island be sent to you as they become available. The low level releases meeting which you ask about was never held; therefore, no minutes are available.

Please advise me if I may be of any further assistance.

Sincerely,

/s/

Douglas K. Olson  
Counsel for AEC Regulatory Staff
