Mr. Frank Kelly
Chief of Operator Licensing Branch
U. S. Atomic Energy Commission
4915 St. Elmo Avenue
Bethesda, Maryland 20014

Dear Mr. Kelly:

This is to confirm our plans to meet with you in your offices at 9:00 A.M., June 28, 1967, for the purpose of discussing our proposed program for training and licensing of supervisory and non-supervisory personnel at our Three Mile Island Nuclear Generating Station.

Accompanying me from our Company will be: Mr. J. G. Miller, Chief Engineer; Mr. J. S. Bartman, Superintendent of Production; and Mr. R. O. Keim, Director-Education.

Very truly yours,

John L. Wise ml
