Dear Ms. Falconer:

Enclosed, as promised in our recent telephone conversation, are some descriptive materials on the NRC State Agreements program. I suggest contacting Laurence J. McDonnell, Chief of the Radiation Protection Division, Department of Health and Social Services. In addition to providing you information on Wisconsin's current radiological health program, he can also provide you background on earlier inquiries by Wisconsin on NRC's Agreement State program. Please feel free to call our Office if you have additional questions.

Sincerely,
