Mr. Milton G. Klein, Director  
Idaho Department of Health  
and Welfare  
Statehouse  
Boise, Idaho 83720

Dear Mr. Klein:

During a recent discussion with Mr. Robert Funderburg, the week of November 26-30, 1979, was suggested for the next review of the Idaho radiation control program. Our review will cover the principal administrative and technical aspects of the Department's program and will include field evaluations of a State inspector. Our representative for the review will be E. C. Ashley.

If your schedule will permit, I would like to have Mr. Ashley discuss the partial results of the meeting with you on the afternoon of November 28, 1979.

Sincerely,

A handwritten signature in cursive script that reads "G. Wayne Kerr".
