October 10, 1979

REF: Docket 50-466
HOUSTON LIGHTING & POWER COMPANY
(Allen's Creek Unit 1)

TO: Hon. Sheldon Wolfe, Chairman
Atomic Safety & Licensing Board Panel

Dear Sir:

It has recently come to our attention that a representative of the law firm Lowenstein, Newman, Axelrad, and Reis discussed scheduling matters with the chairman of the ASLB panel on behalf of the Applicant. We understand that the discussion occurred in January of 1979.

A search of our papers indicates we have no record of receiving a summary of this discussion. A check with several other parties indicates that others likewise have not received that communication. Our reading of 10 CFR Part 2.780 (c) is that we are entitled to a summary explanation of that discussion if it occurred.

We would appreciate the appropriate parties or persons forwarding to us the summary of that discussion. I am sure you can understand our desire to be informed of all developments with regard to this docket.

We appreciate your time and attention to this matter.

Sincerely,

James M. Scott, Jr.
Counsel for TexPIRG
