IN RESPONSE REFER
TO FOIA-79-425

Dear Mr. Glasberg:

This is in regard to your letter dated October 5, 1979 in which you requested, pursuant to the Freedom of Information Act, all documents relating to the use of a paper clip to hold open a switch at the Virginia Electric Power Company's North Anna Nuclear Power Plant.

In a November 6, 1979 telephone conversation with Mr. Stephen Isaacs of my staff, you were informed that the document you require, an inspection report, is undergoing a proprietary review prior to its release.

Upon completion of that review, this office will further respond to your request.

Sincerely,

A handwritten signature in cursive script, appearing to read "John C. Carr".
