NILES STEEL TANK COMPANY

Request for Additional Information

1. Provide an organization chart which includes, by position title, the Radiation Safety Officer and Radiography personnel.
2. In part 2.1, include a statement that the management of the Niles Steel Tank Company has established and is implementing the QA program.
3. In part 4.1, insert "been" after "have" in the second sentence.
4. In part 6.1 insert "procurement," after "approvals," in the first sentence.
5. Your application of October 4, 1979, refers to a specific model shipping package and includes a USNRC Certificate of Compliance for that shipping package. Please eliminate the reference to the specific shipping package and delete the Certificate of Compliance. The quality assurance program is applicable regardless of the shipping package which is used.
