FREEDOM OF INFORMATION
ACT REQUEST

FOIA-79-463
REC'D 10-30-79

Dear Sir:

This letter is to request on behalf of the Center for Development Policy, ("CDP"), access under the Freedom of Information Act, as amended (5 USC Sec. 522), to the following two documents:

1. The 1979 review carried out by J. Kelleher of Kelleher Consultants of the IAEA Report concerning the proposed Philippine Nuclear Reactor.
2. The 1979 review carried out by the NRC staff of the IAEA Report concerning the proposed Philippine Nuclear Reactor.

Both reports were referenced on page 21 in the Concise Environmental Review of PNPP, submitted to James Shea, Nuclear Regulatory Commission, dated September 28, 1979.

The CDP is a public interest analysis group concerned with foreign economic affairs. In light of our nonprofit status and continuing efforts, we would appreciate your waiving the traditional fees involved in dearching for and copying these documents.

The Act provides 10 working days for an agency to respond to an FOIA request by producing the records requested or giving reasons for any refusal to produce such records. If you have any questions concerning this request, please contact me by telephone in order to expedite matters. Otherwise, I will expect to receive a reply from you within 10 working days.

Thank you for your attention in this matter.

Sincerely,
Virginia B. Foote
