Dear Mr. Haass:

The purpose of this letter is to notify you of recent organizational changes within Sargent & Lundy as shown on Figure 01.01-1, "S&L Organization Chart," of Revision 5 of the Topical Report on Quality Assurance, SL-TR-1A. The changes are as follows:

- 1) The title of the Nuclear Field Services Division, which is a division of the Technical Services Department, has been changed to the Construction Management Division.
- 2) The General Analytical Division is no longer part of the Technical Services Department, but reports directly to the Director of Engineering.

The responsibilities of these divisions as defined in Revision 5 of the Topical Report have not changed. These organizational changes will be included in the next revision of the Topical Report.
