Docket No. 50-131

Director
U.S. Nuclear Regulatory Commission
Region IV
611 Ryan Plaza Drive
Suite 1000
Arlington, TX 76012

Dear Sir:

As per the request outlined in I E Bulletin No. 79-19, our reactor facility does not generate any low-level radioactive waste that requires transfer to a burial facility.

Sincerely,

T. P. MULLON
Director
