REGULATORY DOCKET FILE COPY

MEMORANDUM FOR: Brian K. Grimes, A/D for Engineering & Projects, DOR, NRR
FROM: Samuel E. Bryan, A/D for Field Coordination, BRO1, IE
SUBJECT: LICENSE RENEWAL FOR IDENTIFIED RESEARCH REACTORS

By memo dated June 6, 1979, you requested information concerning certain research reactors that were scheduled for license renewal. Enclosed is a memo from R. F. Weishman, RIII, to S. E. Bryan, that has the requested information for:

Iowa State University, DN 50-116
University of Illinois, DN 50-356
University of Missouri at Rolla, DN 50-123

Because RIV does not have a Safeguards Material Control and Accounting Section, RIII has provided input in this area for:

University of Oklahoma, DN 50-112
Veterans Administration Hospital, Omaha, Nebraska, DN 50-101
