Docket No. 27-39

Dear Mr. Chilk:

On November 5, 1979, the Staff submitted its reply to NECO's second supplement to its motion for reconsideration. That supplement was premised on documents prepared by the Staff in the course of consideration of a possible disposal site at Lyons, Kansas. Enclosed is another document generated during the consideration of that site, which might have relevance to the second supplement to the motion for reconsideration. Attention is particularly called to p. 3 of the letter.

Sincerely,
