Gentlemen:

This is to notify you that effective November 2, 1979 Mr. Douglas R. Fuhrman will no longer be employed by Teledyne Isotopes and, therefore, will be deleted as the Radiation Safety Officer from the above referenced licenses.

It is expected that within a very short period of time a new Radiation Safety Officer will be identified at which time his qualifications and experience will be forwarded to the NRC. In the interim, please direct all inquires and correspondence to Dr. Donald F. Schutz who is President of Teledyne Isotopes and Chairman of the Radiation Safety Committee. ✓

If you require any additional information, please contact Dr. Schutz directly.

Sincerely,
D. Fuhrman
Douglas R. Fuhrman
Radiation Safety Officer
