

NRC PUBLIC DOCUMENT ROOM

Mr. Charles Beckhofer  
U.S. Nuclear Regulatory Commission  
Washington, D.C. 20555

Dear Mr. Beckhofer,

This letter will serve as notice that I wish to make a limited appearance before your commission during your stay in Cincinnati November 14, or thereabouts.

I do not represent any political or special interest group; I am just one of many who feel that the present risks of nuclear power plants outweigh the obvious benefits.

Further comment will be reserved until I speak before your group. Thank you for the opportunity.

Sincerely,

A handwritten signature in cursive script, appearing to read "Lora L. White".
