Dear Mr. Kammerer:

Enclosed please find a copy of a mailgram I have received from a representative of the South Carolina Utility Reform Coalition.

As you will note, this organization states that they have information concerning the V.C. Sumner Nuclear Plant in Jenkinsville, South Carolina. While I have no further information, beyond what is alleged in the mailgram, I would appreciate it if someone from the Commission could contact Mr. Bates for further information.

Your assistance in this matter is appreciated.

With kindest regards, I am
