

UNITED STATES  
NUCLEAR REGULATORY COMMISSION  
WASHINGTON, D. C. 20555

NOV 16 1979

MEMORANDUM FOR: Ann Savolainen, Branch Chief  
Policy and Publications  
Division of Technical Information  
and Document Control  
Office of Administration

FROM: Robert G. Ryan, Director  
Office of State Programs

SUBJECT: ADDITIONAL PRINTING OF NUREG-0553

Because of additional demand and an expanded distribution for the recent report, "Beyond Defense-in-Depth", NUREG-0553, October 1979, we request the printing of an additional 1000 copies. The additional demand is from State and local governments, industry and other groups. Also, we are expanding our distribution at the local government level to include all Civil Defense directors within 10 miles of nuclear power stations and to complete the distribution to county executives within the same area.
