Re: Receipt, Handling and Shipment of
Radioactive Materials

Dear Mr. MacDonald:

In reference to our Quality Assurance Program for the Receipt,
Handling and Shipment of Radioactive Materials, you answered our
letter dated 2 October 1979 requesting additional information.

We have inadvertently miss filed your letter and are requesting
a additional copy.

Thank you for your attention to this matter.

Submitted for:

OMAHA NONDESTRUCTIVE AND METALLURGICAL TESTING, INC.
