Docket NO. 50-312

CALIFORNIA ENERGY COMMISSION'S FIRST REQUEST FOR PRODUCTION OF DOCUMENTS
TO THE NUCLEAR REGULATORY COMMISSION

Pursuant to the Nuclear Regulatory Commission's rules of practice, particularly 10 C.F.R. §2.744, the California Energy Commission hereby requests that the Nuclear Regulatory Commission ("NRC") produce at the California Energy Commission offices, 1111 Howe Avenue, Sacramento, California, within 30 days of the date of service hereof, certain documents described below for inspection and copying by the California Energy Commission.

Definition

The term "document" shall include, by the way of illustration only and not by way of limitation, the following, whether printed or reproduced by any process, or written, and/or produced by hand, and whether or not claimed to be privileged or otherwise excludable from discovery, namely; studies, analyses, notes, correspondence, communications of any nature, telegrams, memoranda, notebooks of any character, summaries or records of personal conversations, checkbooks, checkbook stubs, passbooks, cancelled checks, bills, paid and unpaid, diaries, reports, publications, photographs, minutes or records of meetings, transcripts of oral testimony or statements, reports and/or sum-

maries of investigations, agreements and contracts, including all modifications and/or revisions thereof, reports and/or summaries of negotiations, court papers, brochures, pamphlets, tape recordings, records and dictation belts. Any document bearing on any sheet or side thereof, any marks, including, by way of illustration only and not by way of limitation, initials, stamped indicia, any comment or any notation of any character and not a part of the original text, or any reproduction thereof, is to be considered a separate document for purposes of this request.

REQUESTED DOCUMENTS

All documents identified by the NRC in its response to the "California Energy Commission's First Set of Interrogatories to the Nuclear Regulatory Commission," dated November 15, 1979. Each interrogatory propounded by the California Energy Commission relates directly to issues subject to adjudication in this proceeding and, accordingly, each document requested herein is relevant under the NRC's rules of practice. If any document identified by NRC and therefore requested herein has been placed in the NRC Public Document Room, please so indicate.

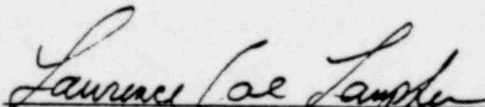

Respectfully submitted,

CALIFORNIA ENERGY COMMISSION
