MEMORANDUM FOR: D.F. Ross, Jr., Director, Bulletins & Orders Task Force
FROM: *PEN* P.E. Norian, Analysis Group, Bulletins & Orders Task Force
THRU: Z.R. Rosztoczy, Chief, Analysis Group, Bulletins & Orders Task Force
SUBJECT: STATUS OF BABCOCK AND WILCOX LOFT L3-1 PRE-TEST CALCULATION

A meeting was held in Lynchburg, Virginia on November 20, 1979 to discuss the status of Babcock and Wilcox's pre-test calculation for the LOFT L3-1 experiment. Meeting minutes, which describe the status and additional evaluations to be performed by B&W, were prepared and signed by representatives from B&W and the NRC at the conclusion of the meeting. These meeting minutes are attached to this letter.

One microfiche copy of the B&W computer output (0 - 700 seconds) was given to the staff, and will be kept by J. Guttman.
