RE: Comprehensive evaluation of safeguards at the United  
Nuclear Corporation plant in Wood River Junction,  
Rhode Island, and comprehensive reports for three  
other facilities

Dear Mr. Felton,

Pursuant to the Freedom of Information Act and/or  
Sunshine Acts, please send me a copy of the "comprehensive  
evaluation of safeguards at United Nuclear Corporation's  
plant in Wood River Junction, Rhode Island" and "compre-  
hensive reports covering three other facilities evaluated  
during 1977" as reported in Enclosure D of the Weekly  
Information Report, week ending December 23, 1977, from  
T.A. Rehm.

Please tell me the names and locations of the "three  
other facilities evaluated during 1977", and tell me the  
schedules for conducting similar evaluations at other  
facilities.

Sincerely,

Thomas B. Cochran  
Senior Staff Scientist
