Gentlemen:

This refers to your application received November 19, 1979, requesting approval of your Quality Assurance (QA) program as meeting the QA program requirements of 10 CFR §71.51.

In connection with our review, we need the information identified in the enclosure to this letter. Please submit seven copies of your response to the enclosed request for additional information within 30 days following receipt of this letter.

If you have any questions regarding this request, please contact Mr. Jack Spraul at (301) 492-7741.

Sincerely,

A handwritten signature in cursive script that reads "Charles E. MacDonald".

Charles E. MacDonald, Chief
Transportation Certification Branch
Division of Fuel Cycle and Material
Safety, NMSS

Request for Additional Information

(Docket No. 71-0357)

1. In part 7, include a statement to the effect that training for all QA functions, prior to performing these functions, is required according to written procedures.
2. In part 7, include a statement that the Radiographic Safety Officer will ensure that the inspections and tests are performed.
3. Also in part 7, include a statement that the status of nonconforming parts or packages will be positively maintained in accordance with written procedures.
