Within a period of ten (10) workdays after submission of task 2 and task 3 deliverables, the NRC will provide comments and/or approval of such deliverables.

Project Status Reports

Under Phase II, project status reports are required and are due on the first day of each month. These reports shall include an updated Gantt Chart, a description of activities performed the preceding month, a general project status update, problems encountered or anticipated, and personnel changes from the sixteenth day to the last day of the month. A status meeting will be held between the COAR and the Contractor after delivery of each monthly status report. On the sixteenth day of each month, the Contractor will provide an abbreviated status report citing problems encountered or anticipated, and personnel charges from the first to the fifteenth day of the month. Additional informal status meetings between the COAR and the Contractor may be held as needed."
