Mr. James Montgomery
Radiation and Hazardous Wastes
Control Division
Colorado Department of Health
4210 East 11th Avenue
Denver, Colorado 80220

Dear Mr. Montgomery:

This is to confirm our phone conversation of October 26, 1979 regarding the NRC and state agency tour of the Hansen Project site on November 5, 1979. The purpose of the tour is to familiarize the NRC and their consultants with the Project and the area and to provide an opportunity for discussions on the Project between Federal, State and local officials and company representatives.

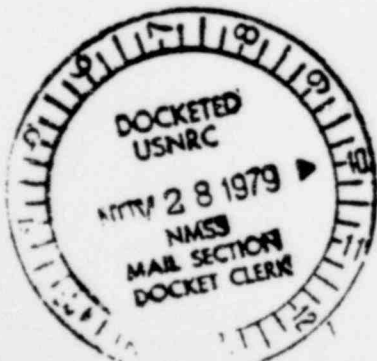

I have contacted through you or directly the following people from the State Health Department inviting them to attend.

- A. J. Hazle
- Richard Gamewell
- Kenneth Waesche
- Thomas Tistic
- Bradley Miller
- Robert Shukle

Individuals from the EPA, the State Engineers Office, the Colorado Geological Survey, the Colorado Division of Wildlife and the Colorado Mined Land Reclamation Board staff are also being contacted and invited to attend.

The tour will start at 8:00 a.m., November 5th from the Ramada Inn in Canon City. We anticipate that it will last all day. We hope that you and the others from the Department of Health will be able to attend.

Please let me know how many from the Department will be participating so that we can make the necessary arrangements.

Very truly yours,

M. A. Thompson
Principal Licensing Engineer
