PDR

UNITED STATES
NUCLEAR REGULATORY COMMISSION
WASHINGTON, D. C. 20555

DOCKET NO. 50-368

DEC 6 1979

Arkansas Power and Light Company
ATTN: Mr. William Cavanaugh, III
Executive Director
P. O. Box 551
Little Rock, Arkansas 72203

Gentlemen:

On July 18, 1978, the Commission issued Operating License NPF-6 for the Arkansas Nuclear One, Unit 2 (Arkansas 2). As required by 10 CFR 170.21, an operating license fee of $1,024,500 was paid for the issuance of the operating license.

In accordance with Footnote 3 of Section 170.21, the costs incurred in the processing and issuance of the Arkansas 2 operating license have been reviewed and they substantially exceed the maximum fee of $1,024,500 prescribed by the Commission's regulations. Since the maximum fee prescribed by regulations for an operating license has been paid, no additional operating license fee is required for Arkansas 2.

Sincerely,

W. O. Miller
