Gentlemen:

Based on a conversation on November 15, 1979, between Mr. Larry Soth of your staff and Miss R. J. Greer of this office, it is our understanding that back-up power is supplied to the emergency telephones (red "hotlines") installed at your Zion plant by the telephone company.

If this information is not correct, please inform this office within ten days of your receipt of this letter of the provisions you have made to supply these telephones with back-up power.

Sincerely,
